INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS To the Unitholders of Alinma Multi Assets Balanced Fund (Managed by Alinma Investment Company)

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Alinma Multi Assets Balanced Fund ("the Fund") being managed by Alinma Investment Company (the "Fund Manager") as at 30 June 2024, and the related interim condensed statements of profit or loss and other comprehensive income, cash flows and changes in equity for the six-month period then ended, including other explanatory notes. The Fund Manager is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 – "Interim Financial Reporting ("IAS 34")" that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" that is endorsed in the Kingdom of Saudi Arabia. A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34, that is endorsed in the Kingdom of Saudi Arabia.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS 30 June 2024

1 INCORPORATION AND ACTIVITIES

Alinma Multi Assets Balanced Fund, (the "Fund"), is an open-ended Shariah compliant public fund created under an agreement between Alinma Investment Company (the "Fund Manager"), a subsidiary of Alinma Bank (the "Bank") and investors (the "Unitholders") in accordance with Capital Market Authority ("CMA") regulations.

The Fund seeks to achieve capital growth in the long term with emphasis on capital preservation, and exposure to equity markets. The Fund may invest in a range of Shariah compliant investments such as local equities, Murabaha placements, Sukuk, structured products and investment funds in order to achieve its objectives. All income is reinvested in the Fund and is reflected in the unit price.

The CMA granted approval for the establishment of the Fund in its letter number (2012- 6241-5) dated 21 Muharram 1434H (corresponding to 5 December 2012). The Fund commenced its operations on 25 Jumada Alawwal 1434 H (corresponding to 6 April 2013).

The Fund is managed by Alinma Investment Company (the "Fund Manager"), a closed joint stock company with commercial registration number 1010269764, licensed by the Capital Market Authority of the Kingdom of Saudi Arabia ("CMA") under license number 09134-37.

The Fund Manager is responsible for the overall management of the Fund's activities. The Fund Manager can also enter into arrangements with other institutions for the provision of investment, custody or other administrative services on behalf of the Fund.

The Fund has appointed Riyad Capital (the "Custodian") to act as its custodian. The fees of the custodian are paid by the Fund.

2 REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the "Regulations") issued by the CMA detailing requirements for all Investment Funds within the Kingdom of Saudi Arabia.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These interim condensed financial statements for the six-months period ended 30 June 2024 of the Fund have been prepared in accordance with International Accounting Standard 34 – Interim Financial Reporting ("IAS 34") as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by Saudi Organisation for Chartered and Professional Accountants ("SOCPA").

The Fund Manager has prepared the interim condensed financial statements on the basis that the Fund will continue to operate as a going concern. The Fund Manager considers that there are no material uncertainties that may cast significant doubt over this assumption. They have formed a judgement that there is a reasonable expectation that the Fund has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

The interim condensed financial statements do not include all information and disclosures required in the annual financial statements and should be read in conjunction with the Fund's annual financial statements as at 31 December 2023.

3.2 Basis of measurement

These interim condensed financial statements have been prepared under historical cost convention, except for the financial assets at FVTPL which are measured at fair value.

The interim condensed statement of financial position is stated broadly in order of liquidity. All assets and liabilities are current in nature except for financial assets measured at amortised cost, maturities of which are disclosed in note 7 in the interim condensed financial statements.

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (continued) 30 June 2024

3 BASIS OF PREPARATION (continued)

3.3 Functional and presentation currency

These interim condensed financial statements are presented in Saudi Riyal (SR), which is also the functional currency of the Fund. All financial information has been rounded off to the nearest SR, unless otherwise stated.

3.4 Use of judgements, estimates and assumptions

In preparing these interim condensed financial statements, the Fund Manager has made the judgement, estimates, and assumptions that affect the application of the Fund's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by the Fund Manager in applying the Fund's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual audited financial statements.

4 MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Fund's annual financial statements for the year ended 31 December 2023 except for the adoption of new standards effective as of 1 January 2024. Several amendments apply for the first time in 2024, but do not have an impact on the interim condensed financial statements of the Fund.

The Fund has not early adopted any standard, interpretation or amendment that has been issued but not yet effective.

Amendment to IFRS 16 - Lease on sale and leaseback

In September 2022, the International Accounting Standards Board ("IASB") issued amendments to IFRS 16 to specify the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction, to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains.

The transition rules clarify that an entity is not required to provide the disclosures in any interim periods in the year of initial application of the amendments. Thus, the amendments had no impact on the Fund's interim condensed financial statements.

Amendments to IAS 7 and IFRS 7 on Supplier finance agreements

In May 2023, the IASB issued amendments to IAS 7 Statement of Cash Flows and IFRS 7 Financial Instruments: Disclosures to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk. The transition rules clarify that an entity is not required to provide the disclosures in any interim periods in the year of initial application of the amendments.

The amendments had no impact on the Fund's interim condensed financial statements.

Amendments to IAS 1 - Classification of liabilities as Current vs Non-current

In January 2020 and October 2022, the IASB issued amendments to paragraphs 69 to 76 of IAS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms
 of a liability not impact its classification

In addition, a requirement has been introduced whereby an entity must disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments had no impact on the Fund's interim condensed financial statements.
